This efficient numbering method allows you to direct print numbers on most fabrics without investing in expensive numbering equipment. These inexpensive stencils adhere to the screen on the printing stroke and are thrown away after printing the number. The next stencil is then adhered to the screen in the same fashion with no adjustment or clean up of the screen between numbers. Order in sets or by individual number and size. One Set includes 200 each #1, 100 each # 0, & 2 thru 9.
